THE LEAGUE OF FRIENDS

The League of Friends of Victoria Hospital, Deal is a voluntary organisation which aims to improve amenities for patients attending the hospital either in daycare or as in-patients; and give assistance to the staff beyond that which is supplied by the N.H.S.

The League of Friends was founded over 50 years ago and has given more than £1,600,000 to the hospital.

This is mainly due to the generosity of the local community by fund raising, legacies and donations given to the League of Friends in recognition of the excellent care provided by the hospital staff.

Listed on this leaflet are some of the services that we have recently supported financially at our local hospital. Some of these services would not be in place without the financial support of the League of Friends.

GIFT AID

Under current Government legislation we can re-claim tax on all donations you give, provided that you pay an amount of income tax or capital gains tax equal to or exceeding the tax reclaimed on your donation. (No personal information required, only name and address).

Further details are available from the treasurer

REMEMBER US IN YOUR WILL

Many people wish to show their gratitude to the hospital, and choose this way to show their appreciation by leaving a legacy to the League of Friends, in their will.

A legacy left to a registered charity is not included in the valuation of an estate for inheritance tax purposes.

If this is of interest to you it is suggested that you consult your solicitor.

If you wish to support the League of Friends please complete the form overleaf and send it along with any donation to the secretary.
